Responsible Governance Policy #1 Collection of Unpaid Assessments

1. Monthly Assessments. Pursuant to the Governing Documents, the Association imposes monthly assessments for common expenses. Invoices are mailed to Owners on a monthly basis, and payment is due within thirty (30) days of the invoice date.

2. Due Dates. The due date for the invoices shall be thirty (30) days after the invoice date. Assessments or other charges not paid in full to the Association within one (1) day of the due date shall be considered past due and delinquent and shall incur interest as provided below.

3. Receipt Date. The Association shall post payments on the day that the payment is received.

4. Interest on Delinquent Installments. The Association shall impose interest from the date due at the rate of eight percent (8%) per annum on the amount owed for each Owner who fails to timely pay such Owner's monthly installment of the annual assessment within one (1) day of the due date. Interest will not be imposed on late charges or interest.

5. Personal Obligation. The amount of any assessment payable by any Owner shall be a joint and several obligation to the Association and such Owner's heirs, personal representatives, successors and assigns. A party acquiring fee simple title to a Unit shall be jointly and severally liable with the former Owner of a Unit for all such amounts which had accrued and were payable at the time of acquisition of the Unit. Each such amount, together with interest thereon, may be recovered by suit for a money judgment by the Association without foreclosing or waiving any lien securing the same.

6. Return Check Charges. In addition to any and all charges imposed under the Governing Documents, or this Policy, any charges assessed by the bank shall be assessed against an Owner in the event any check or other instrument attributable to or payable for the benefit of such Owner is not honored by the bank or is returned by the bank for any reason whatsoever, including but not limited to insufficient funds. This returned check charge shall be included as part of the assessments for each Owner who tenders payment by check or other instrument which is not honored by the bank upon which it is drawn. Such return check charges shall be due and payable immediately, upon demand. Notwithstanding this provision, the Association shall be entitled to all additional remedies as may be provided by applicable law. Returned check charges shall be the obligation of the Owner(s) of the Unit for which payment was tendered to the Association. Returned check charges shall become effective on any instrument tendered to the Association for payment of sums due under the Governing Documents or this Policy after the date adopted as shown above. If two or more of an Owner's checks are returned unpaid by the bank within any twelve (12) month period, the Association may require that all of the Owner's future payments, for a period of one year, be made by certified check or money order. This return check charge shall be in addition to any late

fees or interest incurred by an Owner. Any returned check shall cause an account to be past due if full payment of the monthly installment of the annual assessment is not timely made within one (1) calendar day of the due date.

7. Preliminary Procedures. With regard to a Unit Owner's delinquency in paying assessments, fines or fees, the Association shall first contact the Unit Owner to alert the Unit Owner of the delinquency before taking action in relation to the delinquency as set forth in this Policy, below, and shall maintain a record of any contacts, including information regarding the type of communication used to contact the Unit Owner and the date and time that the contact was made. Any contacts that the Association Manager makes on behalf of the Association pursuant to this Policy shall be deemed a contact made by the Association and not by a debt collector as defined in C.R.S. sec. 5-16-103(9). A Unit Owner may identify another person to serve as a designated contact for the Unit Owner to be contacted on the Unit Owner's behalf for purposes of this paragraph. A Unit Owner may also notify the Association if the Unit Owner prefers that correspondence and notices from the Association be made in a language other than English. If a preference is not indicated, the Association shall send the correspondence and notices in English. The Unit Owner and the Unit Owner's designated contact must receive the same correspondence and notices any time communications are sent out, except that the Unit Owner must receive the correspondence and notices in the language for which the Unit Owner has indicated a preference, if any. The Unit Owner shall identify a designated contact by notifying the Association Manager in writing. In contacting the Unit Owner or a designated contact, the Association shall send the same type of Notice of Delinquency required to be sent pursuant to this Policy, including sending it by certified mail, return receipt requested, and physically posting a copy of the Notice of Delinquency at the Unit Owner's Unit. In addition, the Association shall contact the Unit Owner by one of the following means:

- a. First-class mail;
- b. Text message to a cellular number that the Association has on file in the event the Unit Owner has provided the cellular number to the Association; or
- c. E-mail to an E-mail address that the Association has on file in the event the Unit Owner has provided the E-mail address to the Association.

8. Board Action Required. The Association shall refer a delinquent account to a collection agency or attorney only if a majority of the executive board votes to refer the matter in a recorded vote at a meeting conducted pursuant to C.R.S. sec. 38-33.3-308(4)(e).

9. Notices of Assessments Due. On a monthly basis and by first-class mail and, if the Association has the relevant E-mail address, by E-mail, an Association shall send to each Unit Owner who has any outstanding balance owed the Association an itemized list of all assessments that the Unit Owner owes to the Association. The Association shall send the itemized list to the Unit Owner in English or in any language for which the Unit

Owner has indicated a preference for correspondence and has notified the Association pursuant to this Policy and to any designated contact for the Unit Owner.

10. Notice of Delinquency. The Association shall not use a collection agency or take legal action against an owner to collect unpaid assessments unless the Association complies with the following procedures. In the event an Owner is more than ninety (90) calendar days delinquent in the payment of assessments, fines, fees or charges, the Association shall send the Unit Owner a “**Notice of Delinquency.**” The Notice of Delinquency shall be sent by certified mail, return receipt requested. Before the Association turns over a delinquent account of a Unit Owner to a collection agency or refers it to an attorney for legal action, the Association must send the Unit Owner a Notice of Delinquency. The Notice of Delinquency shall comply with the following requirements:

- a. The Notice of Delinquency must be written in English and in any language that the Unit Owner has indicated a preference for correspondence and has notified the Association of such preference.
- b. The Notice of Delinquency must specify whether the delinquency concerns unpaid assessments; unpaid fines, fees or charges; or both unpaid assessments and unpaid fines, fees or charges. If the Notice of Delinquency concerns unpaid assessments, the Notice of Delinquency must notify the Unit Owner that unpaid assessments may lead to foreclosure.
- c. The Notice of Delinquency must include a description of the steps the Association must take before the Association may take legal action against the Unit Owner, including a description of the Association's cure process established in accordance with the Association's Policy #3, Enforcement of Covenants and Rules, and Procedures for Addressing Disputes Arising Between the Association and the Owners.
- d. The Notice of Delinquency must include a description of what legal action the Association may take against the Unit Owner, including a description of the types of matters that the Association or Unit Owner may take to small claims court, including injunctive matters for which the Association seeks an order requiring the Unit Owner to comply with the Declaration, Bylaws or other Governing Documents of the Association.
- e. The Notice of Delinquency shall specify the total amount due, with an accounting of how the total was determined, including principal, late fees and interest (the “**Delinquent Amount**”).
- f. The Notice of Delinquency shall notify the Owner that, unless within thirty (30) calendar days of the date of the Notice of Delinquency, the Owner either pays off the Delinquent Amount, or enters into a payment plan to pay off the Delinquent Amount as set forth in this Policy, that the Association will arrange a Board hearing to authorize formal legal action to collect the Delinquent Amount, plus interest, attorneys fees and costs incurred, including foreclosure of the Unit.

g. The Notice of Delinquency shall contain the name and contact information of the individual the Owner may contact to request a copy of the Owner's ledger in order to verify the amount of the debt.

h. The Notice of Delinquency shall state that action is required to cure the delinquency and that failure to do so within thirty (30) calendar days may result in a formal notice of Board hearing to authorize a lawsuit being filed against the Owner, the foreclosure of a lien against the Owner's Unit, or other remedies available under Colorado law.

i. As stated above, the Notice of Delinquency shall also inform the Owner that the Owner is entitled to enter into a payment plan as provided herein.

11. Foreclosure Proceedings. The Association shall not commence a legal action to initiate a foreclosure proceeding based on a Unit Owner's delinquency in paying assessments unless:

a. the Association has complied with each of the requirements in this Policy.

b. The Association has in writing offered the Owner a payment plan and made a good-faith effort to coordinate with the Owner to enter into a written agreement setting up the payment plan. Such payment plan negotiated between the Association (or a holder or assignee of the Association's debt, whether the holder or assignee of the Association's debt is an entity or a natural person) and the Owner pursuant to this section shall permit the owner to pay off the deficiency in monthly installments over a period of at least eighteen (18) months. Under the repayment plan, the Unit Owner may choose the amount to be paid each month, so long as each payment must be in an amount of at least twenty-five dollars (\$25.00) until the balance of the amount owed is less than twenty-five dollars (\$25.00).

c. Within thirty (30) calendar days after the Association has provided the Owner with a written offer to enter into a repayment plan, the Unit Owner has either:

1. Declined the repayment plan; or

2. After accepting the repayment plan, failed to pay at least three (3) of the monthly installments within fifteen (15) calendar days after the monthly installments were due.

12. Prepayment Option. A Unit Owner who has entered into a repayment plan pursuant to this Policy may elect to pay the remaining balance owed under the repayment plan at any time during the duration of the repayment plan.

13. Legal Action. The Association or a holder or assignee of the Association's debt may pursue legal action against the Owner in the event the Owner fails to comply with

the payment plan. The payment plan shall authorize the Association to notice the Owner to a formal Board hearing to take legal action to collect the Delinquent Amount if the Owner fails to comply with the terms of the payment plan. An Owner's failure to remit payment of an agreed-upon installment, or to remain current with regular assessments as they come due during the repayment period, shall constitute a failure to comply with the terms of the payment plan.

14. Payment Plan Offer Exceptions. The requirement for the Association to attempt to arrange a payment plan with the Owner does not apply if:

- a. The Owner does not occupy the Unit* and has acquired the Unit as a result of a default of a security interest encumbering the Unit or foreclosure of the Association's lien; and/or
- b. The Owner has previously entered into a payment plan under this Policy.

[*An Owner not occupying a Unit means the Owner does not reside in the Unit.]

15. Limitations. The Association shall not:

- a. Charge a rate of interest on unpaid assessments, fines or fees in an amount greater than eight percent (8%) per year;
- b. Assess a fee or other charge to recover costs incurred for providing the Unit Owner a statement of the total amount that the Unit Owner owes;
- c. Foreclose on an assessment lien if the debt securing the lien consists only of one or both of the following:
 1. Fines that the Association has assessed against the Unit Owner; or
 2. Collection costs or attorney fees that the Association has incurred and that are only associated with assessed fines.

16. Small Claims Action. A party seeking to enforce rights and responsibilities arising under the Declaration, Bylaws or other Governing Documents of the Association in relation to disputes arising from assessments, fines or fees owed to the Association and for which the amount at issue does not exceed seven thousand five hundred dollars (\$7,500.00), exclusive of interest and costs, may file a claim in small claims court pursuant to C.R.S. sec. 13-6-403(1)(b)(i).

17. Additional Limitations.

- a. Fees, charges, late charges, attorney fees up to the maximum amount authorized under this Policy, fines and interest charged may be subject to a statutory lien but are not subject to a foreclosure action under this Policy.

b. If an assessment is payable in installments, each installment may be subject to a statutory lien if the Unit Owner fails to pay the installment within fifteen (15) calendar days after the installment becomes due, but the Association may not pursue legal action for unpaid monthly installments until the Unit Owner has failed to pay at least three (3) monthly installments as set forth in this Policy.

c. The Association lien described in this Policy has priority if the other lien or encumbrance is created after June 30, 1992. Priority is defined and limited to an amount equal to the common expense assessments which would have come due during the six (6) months immediately preceding the institution of a foreclosure by either the Association or the holder of the first mortgage on the Unit.

d. The Association is entitled to costs and reasonable attorneys fees that the Association incurs in any action or suit for a judgment or decree brought by the Association under this Policy.

e. A court shall determine reasonable attorneys fees in accordance with Rule 121 sec. 1-22 of the Colorado Rules of Civil Procedure.

f. The Association is not entitled to recover attorneys fees under this Policy for attorneys fees incurred before the Association has complied with the notice requirements of this Policy with regard to any matter for which the Association is required to comply with the notice requirements.

g. If a Unit has been foreclosed, a member of the Executive Board, an employee of the Association management company representing the Association, an employee of a law firm representing the Association, or an immediate family member, as defined in C.R.S. sec. 2-4-401(3.7), of any such Executive Board member, Association management company employee or law firm employee shall not purchase the foreclosed Unit.

h. Nothing in this section prohibits an Association or a holder or assignee of the Association's debt from pursuing legal action against a Unit Owner if the Unit Owner fails to comply with the terms of the Unit Owner's payment plan. A Unit Owner's failure to remit payment of three (3) or more agreed-upon payment plan installments or to remain current with regular assessments as they come due during the eighteen (18) month period, constitutes a failure to comply with the terms of the Unit Owner's payment plan.

i. If a Unit Owner who has both unpaid assessments and unpaid fines, fees or other charges makes a payment to the Association, the Association shall apply the payment first to the assessments owed and any remaining amount of the payment to the fines, fees or other charges owed.

18. Owner Rights. If an Association has violated any foreclosure laws, the Unit Owner in relation to whom the violation occurred may, within five (5) years after the violation occurred, file civil suit in a court of competent jurisdiction against the

Association to seek damages. The court may award the Unit Owner damages in an amount of up to twenty-five thousand dollars (\$25,000.00), plus costs and reasonable attorney fees, if the Unit Owner proves the violation by a preponderance of the evidence.

19. Notice of Board Hearing. In the event despite good faith efforts and after thirty (30) calendar days following issuance of the Notice of Delinquency the Association is unable to have the Owner pay the Delinquent Amount, or to coordinate with the Owner to enter into a written agreement setting up a payment plan, the Association shall issue a written notice ("**Notice of Board Hearing**") to the Owner, notifying the Owner that the Board shall be convening a meeting to authorize legal action to collect the Delinquent Amount. Such Notice of Board Hearing shall be issued via U.S. mail, certified, return receipt requested, with a courtesy copy via email, at least ten (10) calendar days prior to the Board meeting and shall state that if prior to the Board meeting the Delinquent Amount is paid in full or the Owner enters into an approved repayment plan, the agenda item to authorize such legal action shall be canceled. If the Delinquent Amount remains unpaid, and the Board so elects, then at the meeting, the Board shall formally resolve, by a recorded vote, to authorize the filing of a legal action against the specific Owner and Unit on an individual basis. At the meeting, the Board may authorize the legal action (including foreclosure) to be filed, but the Board shall not authorize the foreclosure to be actually filed until and if the balance of the Delinquent Amount equals or exceeds six (6) months of common expense assessments based on a periodic budget adopted by the Association. If a judgment or decree is obtained, including without limitation a foreclosure action, such judgment or decree shall include reasonable attorneys' fees together with the cost of the action and any applicable interest and late fees.

20. Certificate of Status of Assessment. The Association shall furnish to an Owner or such Owner's designee (i.e. title company, lender) upon written request to the Association, a written statement setting forth the amount of unpaid assessments currently levied against such Owner's Unit.

21. Bankruptcies and Foreclosures. Upon receipt of any notice of a bankruptcy filing by an Owner, or upon receipt of a notice of a foreclosure by any holder of an encumbrance against any unit within the Association, the Association shall notify the Association's attorney of the same and turn the account over to the Association's attorney, if appropriate.

22. Authorization of Action to Collect Delinquent Accounts. Upon Board authorization for the Association to proceed with collection procedures, the Association shall take all appropriate action to collect the accounts referred. The Association is authorized to take whatever action is necessary and determined to be in its best interests, including, but not limited to:

- a. Filing of a suit against the delinquent Owner for a money judgment;
- b. Instituting a judicial foreclosure action of the Association's lien;

c. Filing necessary claims, documents, and motions in bankruptcy court in order to protect the Association's interests; and

d. Filing a court action seeking appointment of a receiver.

23. Appointment of a Receiver. The Association may seek the appointment of a receiver if an Owner becomes delinquent in the payment of assessments pursuant to Colorado law. A receiver is a disinterested person, appointed by the court that manages the rental of the Unit, collects the rent and disburses the rents according to the court's order. The purpose of a receivership for the Association is to: obtain payment of current assessments, reduce past due assessments; and prevent the waste and deterioration of the Unit.

24. Foreclosure. The Association may choose to foreclose on its lien in lieu of or in addition to suing an Owner for a money judgment.

25. Waivers. The Association is hereby authorized to extend the time for the filing of lawsuits and liens, or to otherwise modify the procedures contained herein, as the Association shall determine appropriate under the circumstances.

26. Definitions. Unless otherwise defined in this Policy, initially capitalized or terms defined in the Governing Documents shall have the same meaning as used therein.

Responsible Governance Policy #2 Conflicts of Interest Involving Board Members

1. Definition. A “conflicting interest transaction” means: A contract, transaction, or other financial relationship between the Association and a Director (i.e. member of the Association Executive Board) of the Association, or between the Association and a party related to a Director, or between the Association and an entity in which a Director of the Association is a Director or Officer or has a financial interest. “Officer” means any person designated as an officer of the Association and any person to whom the Board delegates responsibilities, including, without limitation, a managing agent, attorney, or accountant employed by the Board. No loans shall be made by the Association to its Directors or Officers. Any Director or Officer who assents to or participates in the making of any such loan shall be liable to the Association for the amount of such loan until the repayment thereof.

2. Procedures. The following procedures shall be followed when a conflict of interest exists. Common or interested Directors may be counted in determining the presence of a quorum at a meeting of the Board of Directors or of a committee which authorizes, approves, or ratifies the conflicting interest transaction. A “party related to a Director” shall mean a spouse, a descendent, an ancestor, a sibling, the spouse or descendent of a sibling, an estate or trust in which the Director or a party related to a Director has a beneficial interest, or an entity in which a party related to a Director is a Director, Officer, or has a financial interest.

- a. The conflicted Director must disclose to the Board in detail the material facts as to the Director’s relationship or interest regarding the conflicting interest transaction.
- b. The conflicted Director may be present and participate in the meeting of the Association’s Board of Directors or of the committee of the Board of Directors that authorizes, approves, or ratifies the conflicting interest transaction, but the conflicted Director may not participate in the final deliberations of the Board, nor may the conflicted Director vote on the conflicting interest transaction.
- c. No conflicting interest transaction shall be void or voidable or be enjoined, set aside, or give rise to an award of damages or other sanctions in a proceeding by a member or by or in the right of the Association, solely because the conflicting interest transaction involves a Director of the Association or a party related to a Director or an entity in which a Director of the Association is a Director or Officer or has a financial interest or solely because the Director is present at or participates in the meeting of the Association’s Board of Directors or of the committee of the Board of Directors that authorizes, approves, or ratifies the conflicting interest transaction if:
 1. The material facts as to the Director’s relationship or interest and as to the conflicting interest transaction are disclosed or are known to the Board of Directors or the committee, and the Board of Directors or committee in good

faith authorizes, approves, or ratifies the conflicting interest transaction by the affirmative vote of a majority of the disinterested Directors, even though the disinterested Directors are less than a quorum; and

2. The conflicting interest transaction is fair as to the Association.

c. Review. The Board shall review the Association's conflict of interest policies at least every three (3) years.

Responsible Governance Policy #3 Conduct of Meetings

1. Owner Participation. The Board of Directors encourages Owner participation in all Owners meetings, Board meetings and Board committee meetings. Owner participation will result in:

- a. Increased understanding of issues and the many aspects of an issue that must be considered.
- b. Additional ideas and creative solutions to challenges faced by the Association.
- c. More informed Owners within the Association lending support to the Board, based upon full knowledge of an issue.
- d. Development of future leaders for the Board of Directors.

2. Board Responsibilities and Efficiency. As duly elected officials of the Association, the Board is responsible for making decisions which affect all Owners. This fiduciary responsibility is established in the Association Governing Documents. The Board volunteers its time and needs to efficiently complete all Association meetings so that business decisions can be made and the needs of the Association can be met.

3. Conduct of Meetings. Owners meetings, Board meetings and Board committee meetings shall follow Robert's Rules of Order. The President of the Board, or in the President's absence a Director duly appointed by the Board, shall preside over the meeting. Meetings shall be conducted in accordance with the following protocols:

- a. The President of the Association shall chair all Owners and Board meetings. If the President is unavailable, the Vice President shall chair. If the Vice President is unavailable, the Secretary shall chair. If the Secretary is unavailable, the Treasurer shall chair. If none of these parties are available, the Board shall appoint an alternate chair.
- b. Owners meetings are limited to attendance by Owners and by such other parties as the Board shall authorize.
- c. Roll call shall be taken, and any proxies shall be provided to the Board.
- d. Anyone wishing to speak must first be recognized by the Chair. Only one person may speak at a time. Each person who speaks shall first state his or her name and Unit owned. Those addressing the meeting shall be permitted to speak for a reasonable period of time without interruption as long as these rules are followed. The Chair may place reasonable restrictions on the length of comments and the number of Owners making comments if the comments are duplicative, as determined by the Chair based upon the number of individuals wishing to speak,

the length of the agenda and other time constraints. Owners supporting prior comments may simply reference the fact without further discussion. Comments are to be offered in a civilized manner and without profanity, personal attacks or shouting. Comments are to be relevant to the purpose of the meeting. Anyone disrupting the meeting, as determined by the Chair, shall be asked to "come to order." Anyone who does not come to order will be requested to immediately leave the meeting.

- e. All actions and/or decisions will require a first and second motion. There shall be no action on items unless such item was on the meeting agenda.
- f. Once a vote has been taken, there will be no further discussion regarding that topic unless authorized by the Chair.
- g. Any motions must be seconded prior to discussion and voting. Because the nature of a motion and vote may be outside the Owners' authority, the Board reserves the right to determine whether a motion will be considered binding on the Association or rather a recommendation for proceeding.
- h. So as to allow for and encourage full discussion by Owners, no meeting may be recorded by audio or video. Minutes of the meeting shall be kept by the Association as directed by the Board at the commencement of the meeting. Minutes shall be a very concise summary of topics and major discussion points, and motions made, including the movant and the second, and the conclusion of the motion. Minutes shall be first approved by the Board and the distributed to the Owners no later than thirty (30) days following the meeting date.

4. Owners Meetings. Owners meetings shall be held twice a year. Special meetings of the Owners may be requested by the Board President, by a majority of the Board, or by Owners having twenty percent (20%) of the votes in the Association. Such requests shall be forwarded to the Board, which shall then arrange and notice the special meeting. Not less than ten (10) nor more than fifty (50) days in advance of any Owners meeting, the Association notice to be hand delivered or sent prepaid by United States mail to the mailing address of each Owner. The notice, agenda and other meeting materials shall also be issued to all Owners via E-mail, to the extent each Owner has provided the Association with a valid E-mail address. The notice of any Owners meeting shall be physically posted in a conspicuous place, to the extent that such posting is feasible and practicable. The notice shall also be posted on the Association Website, if the Association has a Website. The notice shall state the time and place of the meeting and the items on the agenda, including the general nature of any proposed amendment to the Declaration or Bylaws, any budget changes, and any proposal to remove an officer or member of the Board. The notice shall include call-in and other instructions allowing parties to participate via telephone, and Internet if any such presentations are included in the meeting.

5. Electronic Participation. Directors and Owners may participate in Board meetings, Owners meetings and/or Board committee meetings via electronic means, including via telephone and/or Internet. Votes cast in such a manner shall be valid and shall be counted as if such Director and/or Owner were present in person at the meeting.

6. Voting and Proxies / Owners Meetings. In the event of multiple Owners of one Unit, only one vote from each Unit will be counted for each ballot item. All ballots will be counted by three “Inspectors of Election” who are neutral parties or Owners appointed by the Board. In the event of an election for Director, voting shall be by secret ballot, and the Inspectors of Election shall not be candidates, and results of votes will be reported without reference to names, addresses or other identifying information of those casting ballots. All votes taken at a meeting of the Owners shall be taken in such method as determined by the Board including by hand, by voice, by ballot or by electronic means. An Owner may appoint a representative to vote on behalf of said Owner by written proxy. Proxies must be signed and dated and must specifically authorize action at the specific Owners meeting. Proxies are not valid for any other meeting. Proxies must be provided to the Association prior to the commencement of the meeting. Proxies shall be counted for determination of quorum.

7. Voting and Proxies / Board and Board Meetings. Votes taken by the Board shall be taken in such method as determined by the Board including by hand, by voice, by ballot or by electronic means. A Director may appoint a representative to vote on behalf of said Director by written proxy. Proxies must be signed and dated and must specifically authorize action at the specific Board meeting. Proxies are not valid for any other meeting. Proxies must be provided to the Board prior to the commencement of the meeting. Proxies shall be counted for determination of quorum.

8. Board Meetings. All regular and special meetings of the Board, or any committee thereof, shall be open to attendance by all Owners or their representatives. Agendas for meetings of the Board shall be made reasonably available for examination by all Owners or their representatives. Electronic notice of Board meetings shall be given as soon as possible but at least twenty-four hours (24 hrs) before the meeting. Notices of Board meetings need not be mailed to Owners.

9. Owner Participation in Board Meetings. At an appropriate time determined by the Board, but before the Board votes on an issue under discussion, Owners or their designated representatives shall be permitted to speak regarding that issue. The Board may place reasonable time restrictions on persons speaking during the meeting. If more than one person desires to address an issue and there are opposing views, the Board shall provide for a reasonable number of persons to speak on each side of the issue. After such time, non-Board Members may not participate in deliberations or discussions unless a majority of the Board quorum votes to allow it.

10. Executive Session. The Board or any committee thereof may hold an executive or closed door session and may restrict attendance to Board members and such other

persons requested by the Board during a regular or specially announced meeting or a part thereof.

- a. The matters to be discussed at such an executive session shall include only matters as follows:
 1. Matters pertaining to employees of the association or the managing agent's contract or involving the employment, promotion, discipline, or dismissal of an officer, agent, or employee of the Association;
 2. Consultation with legal counsel concerning disputes that are the subject of pending or imminent court proceedings or matters that are privileged or confidential between attorney and client;
 3. Investigative proceedings concerning possible or actual criminal misconduct;
 4. Matters subject to specific constitutional, statutory, or judicially imposed requirements protecting particular proceedings or matters from public disclosure;
 5. Any matter the disclosure of which would constitute an unwarranted invasion of individual privacy, including a disciplinary hearing regarding a Unit Owner and any referral of delinquency; except that a Unit Owner who is the subject of a disciplinary hearing or a referral of delinquency may request and receive the results of any vote taken at the relevant meeting; and/or
 6. Review of or discussion relating to any written or oral communication from legal counsel.
- b. a. With respect to any violation of the Declaration, Bylaws or other Governing Documents of the Association that the Association reasonably determines threatens the public safety or health, the Association shall provide the Unit Owner written notice, in English and in any language that the Unit Owner has indicated a preference for correspondence and has notified the Association and/or the Association Manager in writing of such preference, of the violation by certified mail, return receipt requested, and physically posting a copy of the notice at the Unit Owner's Unit. In addition, the Association shall contact the Unit Owner by one of the following means:

1. First-class mail;

2. Text message to a cellular number that the Association has on file in the event the Unit Owner has provided the cellular number to the Association; or

3. E-mail to an E-mail address that the Association has on file in the event the Unit Owner has provided the E-mail address to the Association.

Such notice shall inform the Unit Owner of the violation and shall inform the Unit Owner that the Unit Owner has seventy-two hours (72 hrs) to cure the violation or the Association may fine the Unit Owner.

b. If, after an inspection of the Unit, the Association determines that the Unit Owner has not cured the violation within seventy-two hours (72 hrs) after receiving the notice, the Association may Impose fines on the Unit Owner every other day and may take legal action against the Unit Owner for the violation; except that the Association shall not pursue foreclosure against the Unit Owner based on fines owed.

3. Other Violations. If the Association reasonably determines that a Unit Owner committed a violation of the Declaration, Bylaws or other Governing Documents of the Association, other than a violation that threatens the public safety or health, the Association shall, through certified mail, return receipt requested, provide the Unit Owner written notice, in English and in any language that the Unit Owner has indicated a preference for correspondence and has notified the Association and/or the Association Manager in writing of such preference, of the violation informing the Unit Owner that the Unit Owner has thirty (30) calendar days to cure the violation, otherwise the Association, after conducting an inspection and determining that the Unit Owner has not cured the

violation, may fine the Unit Owner; however, the total amount of fines imposed for the violation may not exceed five hundred dollars (\$500.00).

a. The Association shall grant a Unit Owner two (2) consecutive thirty (30) calendar day periods to cure a violation before the Association may take legal action against the Unit Owner for the violation. The Association shall not pursue foreclosure against the Unit Owner based on fines owed.

b. If the Unit Owner cures the violation within the period to cure afforded the Unit Owner, the Unit Owner may notify the Association of the cure and, if the Unit Owner sends with the notice visual evidence that the violation has been cured, the violation is deemed cured on the date that the Unit Owner sends the notice. If the Unit Owner's notice does not include visual evidence that the violation has been cured, the Association shall inspect the Unit as soon as practicable to determine if the violation has been cured.

c. If the Association does not receive notice from the Unit Owner that the violation has been cured, the Association shall inspect the Unit within seven (7) calendar days after the expiration of the thirty (30) calendar day cure period to determine if the violation has been cured. If, after the inspection and whether or not the Association received notice from the Unit Owner that the violation was cured, the Association determines that the violation has not been cured:

1. A second thirty (30) calendar day period to cure commences if only one thirty (30) calendar day period to cure has elapsed; or

2. The Association may take legal action pursuant to this section if two (2) thirty (30) calendar day periods to cure have elapsed.

d. Once the Unit Owner cures a violation, the Association shall notify the Unit Owner, in English and in any language that the Unit Owner has indicated a preference for correspondence and had noticed the Association of this preference, and to any designated contact for the Unit Owner:

1. That the Unit Owner will not be further fined with regard to the violation;
and

2. Of any outstanding fine balance that the Unit Owner still owes the Association.

4. Additional Notice Requirements. Notwithstanding any provision of the Declaration, Bylaws or other Governing Documents of the Association to the contrary, the Association may not fine any Unit Owner for an alleged violation unless the Owner is first notified regarding the nature of the alleged violation, the action or actions required to cure the alleged violation, and the timeline for the fair and impartial fact-finding process required under this Policy. The Association shall send the Unit Owner the notice

required hereunder as follows. The Association shall provide the Unit Owner written notice, in English and in any language that the Unit Owner has indicated a preference for correspondence, and shall notice to the Unit Owner by certified mail, return receipt requested, and physically posting a copy of the Notice of Delinquency at the Unit Owner's unit. 5. Fine Intervals. The interval upon which fines may be levied for violations that are continuing in nature is as follows. If, after an inspection of the unit, the Association determines that the Unit Owner has not cured the violation within seventy-two hours (72 hrs) after receiving the notice, the Association may impose fines on the Unit Owner every other day.

6. Notice and Hearing. If any Owner has allegedly violated of any of the provisions of the Declaration, Bylaws or other Governing Documents of the Association, or if the Owner is alleged to be currently violating such matters, or in the event the Association has any other dispute with the Owner (other than nonpayment of dues, addressed in Policy #1, above), the Association shall deliver written notice as set forth in this Policy demanding that such violation cease. The notice may inform the Owner that the Board will be convening to consider the violation. If the notice so states, the notice shall inform the Owner that the Owner shall have the right to appear at the Board meeting, with counsel if the Owner so elects. The notice shall describe the violation and the contemplated consequences for such violation, including if the Board so elects the possible fine that may be imposed or legal action that may be taken, which shall be considered at a Board meeting. The notice shall be copied to other Owners whose interest would be significantly affected by the proposed action. If a Board meeting is being noticed, the notice shall include the date, time and place of the meeting, and shall inform the Owner that the Owner may participate in the meeting via telephone or other electronic participation, which shall be arranged.

7. Complaint. If an Owner has a dispute with the Association, or a complaint concerning another Owner that involves enforcement of Association Governing Documents, the Owner shall send the Board a formal, written complaint via either electronic mail or regular mail describing such dispute with as much information as is known. Complaints may also be initiated by any member of the Board. The Board shall have no obligation to consider oral complaints or anonymous complaints that cannot be independently verified. If the Board makes a preliminary determination that the

complaint is justified and warrants further review, the Board shall thereafter follow the Notice and Hearing Procedure set forth above.

8. Procedure. If the notice includes notice of a Board meeting/hearing, the notice shall be given not less than ten (10) nor more than fifty (50) calendar days before the date of the scheduled Board meeting/hearing. At the hearing, the affected Owner shall have the right, personally or by a representative, to give testimony orally, in writing or both (as specified in the notice), subject to reasonable rules of procedure established by the Board to assure a prompt and orderly resolution of the issues. Any evidence shall be duly considered. The affected Owner(s) shall be notified of the Board decision at the meeting, or if the Board wishes to consider the matter further, in the same manner in which notice of the meeting was given.

9. Schedule of Fines, Action. If at the Board meeting/hearing the Board concludes that a violation has taken place, the Board may impose fines in its discretion as set forth in this Policy, as well as the assessment of any additional attorneys fees and costs incurred in connection with the dispute, all of which may be collected from the Owner as assessments. If the violation is continuing, and the Board has reason to believe the Owner is refusing to cease the violation, the Board may also authorize legal action against the Owner for injunctive and other appropriate relief, including damages, attorneys fees and costs incurred.

10. Conflicts. Any Board member who is incapable of objective and disinterested consideration on any hearing before the Board, as determined by the Board, shall disclose such to the President of the Association prior to the hearing on the case, if possible, or, if advance notice is not possible, then such disclosure shall be made at the hearing, and the Board member shall be disqualified from all proceedings with regard to the hearing. A conflicted Director shall be one with a direct personal or financial interest in the outcome of the decision. A Director shall not be deemed to have a direct personal or financial interest in the outcome if the Director will not, as a result of the outcome, receive any greater benefit or detriment than will the general Ownership of the Association.

11. Fair Hearing. The Association will not assess any monetary fines against any Owner for an alleged violation of the Association Governing Documents unless the Owner is allowed to participate in a fair and impartial factfinding process concerning whether the alleged violation actually occurred and whether the Owner is the one who should be held responsible for the violation. This process shall guarantee the Owner notice and an opportunity to be heard before an impartial decision maker. An impartial decision maker means the Association Board, excluding any conflicted Directors, who shall make a decision regarding the enforcement of the Association's covenants, conditions, and restrictions, and the other rules and regulations of the Association. If, as a result of this factfinding process, it is determined that the Owner should not be held responsible for the alleged violation, the Association shall not allocate to the Owner's account with the Association any of the Association's costs or attorney fees incurred in asserting or hearing the claim, other than the Owner's general share of expenses as a member of the Association.
